Siding Colors: Wood Stains & Matching Paint

For use on Wood Siding (Stain) & HardiePanel (Paint). All colors shown here can be used on Doors and Panels.

Cabot Stains have been used as a benchmark for the siding palette— they have used the same colors for over 30 years. Use Wood Stain only

for Cedar T1-11 siding. Sherwin Williams, Benjamin Moore & Behr will mix their wood stains to match the paint samples shown here.
